Why do you need a Dashcam on Indian roads?

ROAD ACCIDENTS

Dashcam helps you to record any untoward incident, and you can also use the video as a proof to prove your innocence.

INCORRECT CHALLANS

Save yourself from fake accusations of traffic police with Dashcam which gives you concrete video evidence to prove that you have not made any mistake.

INSURANCE CLAIMS

Having video footage as proof of an incident can be helpful as it can indirectly contribute to reducing the premium.

JOURNEY VLOGGING

Built-in high quality Wi-Fi allows direct connection to smart phone and lets you playback, download and view the camera's footage in real time.

Smart Dashcam Pro

Designed for Indian Roads

- ▶ Video Evidence in Case of Accidents
- ▶ Superior Video Quality
- ▶ Journey Vlogging

Trip Video Logs

With built-in WiFi, Qubo Dashcam connects to the QuboPro App, so you can check recordings and take photos whenever you need to. Manage recording duration, download saved files to your phone... all at your fingertips!

Qubo Dashcam *N*Series

Dashcam comes together with Parking Assist Kit to monitor your car even when it's parked

Wire Connection

Why do you need **N Series** ?

24 Hours Parking Surveillance

Enable Parking Mode in the QuboPro App and monitor your car even when it's parked.

Always know what happened to your car

Dashcam N Series will help you record instances even when the car is parked.

Protect car against thefts

Parking Assist Kit will record important events like car tampering or third party damage which will help you in claiming insurance

Please Note- Dashcam doesn't connect to the internet. You can only access the recordings when you are inside the car
